

AMENDMENTS

Amendment to the Abstract

Please enter the following rewritten Abstract.

There is provided herein an invention that utilizes a themed template which is designed to assist novice video editors quickly compose a complete video work which memorializes a particular familiar occasion, such as, for example, a birthday, a wedding, a trip ~~trips~~ to the theme park, etc. The template for each such occasion will be customized with predefined cells that are annotated with descriptions of events that might occur during said occasions. A user will be able to drop his or her own video and/or audio clips taken at the occasions into the cells and, if this is done according to the annotations, thereby create a complete video work that memorializes the selected occasion.
